Please send a general idea, in the file form (Floppy Disk, CD, USB Flash Disk) with your filled in and sealed Application or by e-mail (in.ad@sajam.rs), not later than twenty days before the event opening.

The Advertising Department shall reserve an adequate space for you, as well as a different advertising component, if the requested space has already been rented, in accordance with the available space and the dates of the application, as well as its receipt of documents.

The rent price of all advertising components shall be related to the duration period of each fair event, other than the items otherwise defined (rented on a day or monthly basis).

The Fair shall control the advertising components during the fair events. In case of any damage of such components, the Fair shall replace them as soon as possible, at its own cost.

Any specific orders shall be contracted personally (facade or window graphics, megaboard, rent of the advertising balloons, distribution of advertising materials along with entry tickets, etc).

Any installation of advertising towers, fascias, columns or wall panels exceeding the height of 3 meters shall be subject to the approval of the Advertising Department and the Design Office.

The flag poles and flags shall not be installed independently outside the rented advertising space.

Any advertising components individually installed by an exhibitor on the Fair ground (banners, flags, rigid components, etc.) shall be charged by the valid prices from the present price list. Belgrade Fair reserves its right to remove the afore mentioned components if they esthetically spoil the event general look or another exhibitor's component, as estimated by Belgrade Fair.
